

Summer Reading ... According to Humphrey!

Who knew we could learn so much from an adorable, yet fictitious, hamster? Students, parents, teachers, paraprofessionals and anyone who could get their hands on a copy of *The World According to Humphrey* all participated in One School, One Book during the month of March. This program united the Monroe Elementary School family, bringing us all together to talk about Humphrey.

So, how do we take what we've learned and experienced, and continue on this fabulous path? Perhaps this summer families will create their own program, One Family, One Book. Maybe your family will join together with other families. How about reading other books in the Humphrey series? Whatever you do, set some reading goals as a family for the summer and celebrate your children's accomplishments.

Remember Humphrey and all that he taught us about life, relationships, and yes, reading! Keep the (hamster) ball rolling all summer long!

Mrs. Sharon McCauley
Reading Consultant

Special thanks to Mrs. Kovachi and the Monroe Elementary PTO for their interest and support of One School, One Book.
